Opportunity at SEARCH

SEARCH, an internationally reputed NGO of Maharashtra, invites applications for the position of **Program Management Associate** for its programs on Maternal, Newborn and Child Health being implemented locally at SEARCH, Gadchiroli and elsewhere in collaboration with partners including state governments in India. The position offers an excellent learning opportunity to professionals while being associated with the national and international scaling up of acclaimed models developed by SEARCH in this field.

Job description:

- Management of training programmes at SEARCH
- Participation in training programmes as faculty
- Coordination with scaling up partners of SEARCH and related communication
- Monitoring of the programs in different states
- Reviewing progress of the programmes and report writing
- Documenting significant features of the programmes as they unfold
- Participation in programmes for awareness building on models developed by SEARCH
- Program related administration

Qualification: A post graduate in health management, or management (MBA) or community medicine / Public Health.

Place of work: Based in Shodhgram, the HQ campus of SEARCH, Gadchiroli, and Field Sites in different State Sites as per work exigency.

Pay package: Rs 18,000 per month or above depending on qualifications and experience.

Other benefits: PF, medical insurance, accommodation.
